Constanza.- The company Almacenes y Frigoríficos Dominicanos, S.A. (Alfridomsa), arranged the donation of supplies to the Municipal Hospital Dr. Pedro Antonio Cespedes to face the current coronavirus crisis (Covid-19) in the country.

The contribution destined to collaborate with the mitigation efforts of the difficult situation faced in the country, as well as the prevention of cases in the city of Constanza, will be channeled with the management team of the Municipal Hospital Dr. Pedro Antonio Céspedes under the supervision of the Ministry of Public Health.

"Health care is essential in this serious crisis that the world and our Dominican Republic are currently experiencing. We invite the population to show solidarity to combat the spread of the coronavirus in the country, as well as to adopt and abide by the measures recommended by the Government, the Ministry of Public Health and the World Health Organization (WHO)," said Gina Victoriano, administrative director of Alfridomsa.

Alfridomsa will continue to be present as a strategic ally of the development of Constanza to face this challenge together with the local authorities and society in general, as well as all the staff of the business group, who have worked tirelessly since the beginning in order to win this pandemic.

About Alfridomsa:

Almacenes y Frigoríficos Dominicanos, S.A. (Afridomsa) offers the widest range of integrated warehousing, logistics, customs clearance and transportation services in the country. It has locations in strategic points, proximity to ports and airports for shipping and landing in the country. Alfridomsa is a reliable and profitable option for Dominican importers, industrialists, and agro-exporters who try to lower their costs.
