IBT of Miami takes home 2018 UP & COMER award for construction industry

MIAMI – June 14, 2018 – Daniel Toledano was proud to receive on behalf of IBT of Miami the prestigious “Up & Comer” award for the construction industry presented by the business magazine South Florida Business & Wealth.

Toledano, managing director and chief operating officer, was handed the award by magazine Chairman Gary Press at a ceremony attended by more than 400 guests.

“It is an honor for me that our company is recognized by a local business institution. It’s a testament to the great work that IBT carries out, not only in Florida, but throughout Latin America,” Toledano said.

More than 600 executives were nominated in various categories. Toledano was among six finalists in construction, which included executives from some of the largest construction companies in the United States. The award ceremony took place June 6 in Fort Lauderdale.

IBT is a business group specialized in the development of public works, implementation of construction projects and equipment for public institutions. Its solutions are comprehensive and range from engineering, studies, design and construction; to the sale, delivery and installation of equipment with its subsequent training, maintenance and operation. More than 30 years of global experience in the construction world supports the solidity and technical knowledge of IBT, allowing the company to offer the highest quality standards for each project, contribute to development and progress, and respect the environment in a framework of constant innovation. Its headquarters is in Miami in addition to permanent local offices on four continents. The group's staff comprises more than 4,500 employees. For more information, visit www.ibtgroup.com.
